Re: Enterprise ATV/UTV Trail Rehabilitation

The majority of the Oneida County Forestry Department's ATV Trail located in the Town of Enterprise will re-open by 5 p.m. on Thursday, July 13 and remain open through the weekend. Two segments of the trail will remain closed. Both the East Loop of the Enterprise Trail system from Shingle Mill Road south to the Parrish Highlands ATV trail and the 1.4-mile segment of Trail from Hildebrand Lake Road south to Bowman Road will be closed until further notice.

The entire trail will again close for several days starting the week of Monday, July 17 for additional rehabilitation work. These closure days will be weather dependent.

Please contact the Oneida County Forestry Office at (715) 369-6140 or the Oneida County ATV Club at (715) 362-4863 for more information regarding these closures.
