

Oneida County Highway Facilities

Oneida County currently has four locations with buildings for highway operations.

- 1) Rhinelander Facility: Administrative and primary operations center. All trucks and equipment is repaired or serviced at the Rhinelander facility. Main salt storage located at the Rhinelander facility then hauled to the outlying locations. No repair shops exist in the outlying garages.
- 2) Minocqua Garage: 4 plow trucks, 1 end loader, 1-one ton pickup
- 3) Three Lakes Garage: 2 plow trucks, 1 end loader
- 4) Monico: 2 plow trucks, 1 end loader, 2 message boards, 1 excavator
