Contractor: _____

Contract # _____

Date Sold: _____

Date Completed: _____

2 Year Contract

Additional Regulations:

1. In coppice harvest area, harvest all 1" dbh and larger aspen, white birch, red maple, black cherry and white spruce larger than 10" dbh and smaller than 18" dbh. Leave all pine and white spruce smaller than 10" dbh and larger than 18" dbh. Utilization on all species is a 100" stick to a 4" top or whole tree. If harvesting whole tree, 1 in 10 tops above the standard 4" diameter must be left evenly scattered in the harvest areas. Standing dead trees are not to be cut unless they pose a safety hazard.
2. Logging operations including road work, may take place only when the ground is dry or frozen to prevent rutting.
3. The GPS Station and immediate surrounding area must not be disturbed.
4. Landings must have approval of the County prior to construction. No new roads will be allowed. Following completion of the sale, all trails will be returned to their original condition or better. All previously bermed access roads will be rocked or bermed off at the end of each harvest season and at the end of the sale. Bond money will not be returned until all road work is completed. Existing hunter walking trails may be used for sale operations. Hunter walking trails must be leveled and clear of debris upon completion of sale operations.
5. No equipment or slash is allowed within wetland areas adjacent to the sale or in reserve areas. Slash must be removed upon completion of the sale.
6. All slash must be cut to less than 2 ft high within 50 ft of Bird Ln and Kelly Fire Ln and must be pulled back 25 ft from the road. Decking on Bird Ln and Kelly Fire Ln may be allowed with permission from the Town of Little Rice. Wood decked along the road must be far enough off the road so as not to create a hazard to motor vehicles. Any damage to the road will be repaired by the contractor including grading and graveling if necessary. Cautionary signage on Bird Ln and Kelly Fire Ln must be placed prior to sale operations.
7. Stump height may not exceed 10".
8. All items listed in the Oneida County Timber Sale Contract apply. All applicable BMP's will be followed.
