Mike Romportl for the Oneida County Land information Office gave a presentation on the new website for Oneida County and went over the different maps and information available to area fire departments. The information can be found at <http://www.co.oneida.wi.gov> and then go to Land Records System

### **COMMITTEE REPORTS**

**Communications:** Committee met with Jim Woods regarding dispatch. He is currently learning the different aspects of the job

**Sheriff Dept.:** No report

**D.N.R.:** No report.

**LEPC:** Discussed the call to Vilas County with the FBI . Everyone involved felt that everything had gone well and the communications between the different agencies was very good. The bill has been submitted to Vilas County. Discussed the call in Forrest County between a dump truck and train.

**Nicolet:** Lynn Larsen discussed the Nicolet news letter and if a department would like to have classes or material listed just contact him..

**WPS:** They have been monitoring the response time and it has increased a little. Vergil was asked if they still had people on call and it was stated that they have not changed their on call procedures

**Oneida County Firefighters:** The meeting in Little Rice did not have a good attendance. The next meeting will be on January 24<sup>th</sup> at die Cassian Fire Department. Elections of officers will be conducted at this meeting.

**Oneida County EMS:** No report.

**Emergency Management:** Nicolet is set up to teach the NIMS classes and there may be funding available by Emergency Management. See Lynn or Ken.

**County Board:** No Report

**Old Business:** Discussed the lack of site address and all felt that the TV promotion was good

**New Business:** Nothing

Motion to adjourn at 21.18
