Income, Deposited for departments for due's 2010 \$3,584.00

Ending balance in the checking account \$ 6,065.98

Savings account \$304.56

Committee Reports:

United Way, Will be getting funding from them again next year, Will try to use some of the funding to upgrade the fire safety house to weather training.

Banquet, Got good comments on it again this year. But will like to get the information out the departments a lot sooner. Some of the paper work did not get back on time and had to rush to get the awards ready for the banquet. Had real nice donations for door prizes. Thanks to all the departments for another great year.

Old Business: None

New Business: Because there has been an issue with emails, when we send paperwork out via e-mail they have not been getting to the departments or it coming back too late. All paperwork is going to be thru the mail. The only thing that will be sending out via e-mail is regarding the meeting reminders.

There will be a MAVIS training Oct 1, 2010. This was talked about at the last Oneida County fire chief's meeting.

Monty asks if the association will like to donate \$100.00 again this year for the Red Knights ride coming up. A motion was made and 2nd to donate \$100.00. Monty also ask if members will go back to there departments and ask for a donation. He will like to see the donations this year higher then last year.

Honor Guards are now set up there just has to be a few things done yet.

There is still issue regarding the robot. If anyone know anyone that is willing to look at it please contact Monty. He has the book and we real do not want to have to send it back to the company that made it as it will cost a lot of money just to ship it.

Regarding the scholarship. We send out all the information out to all there area schools and have not got anything back from the schools. Scott is going to check with the college.

The next meeting is July 27th at 7:00pm

A motion was made and 2nd to adjourn the meeting.
