**Treasures Report:**

**Committees:**

**Communications:** The 8<sup>th</sup> tower will be up this spring in Minocqua, Narrow banding in June. There will be no frequency changes. Ken is going to send out an esponder list update out again.

Fix the antenna in Minocqua see if this will correct the issue. Will be give a pl tone Ken will send this information out when it get closer.

**Dispatch:** A question was asked if there is anyway o get the cross street when getting page out to a call. This can be done maybe on the 2<sup>nd</sup> page. But sometime will not be able to do it due to how busy it will get in dispatch.

Still an issue of having times fax to the departments. Everyone dispatch is aware of send fax out when the department returns to there station.

**Sheriff Dept:** Nothing to report.

**DNR:** Burning permits can be downloaded of the DNR website. They permits must be sign or they are not good. The tool free number is update daily at 11:00am. If anyone wishes to burn in the city limit of Rhinelander they will have to go to the Rhinelander Fire Dept as there permits are different then the ones on line. If there are any questions please feel free to ask John.

The wild land training at Newbold when over good. Seen a lot of new faces. Will like to do the training yearly. The red flag warning come the weather service not thru the DNR.
