

**GENERAL CODE OF ONEIDA COUNTY, WISCONSIN  
ORDINANCE AMENDMENT #  
Ordinance Amendment offered by the Forestry, Land, & Recreation Committee**

**WHEREAS**, the Oneida County Forestry Department was awarded an All Terrain Vehicle (ATV) trail development grant from the Wisconsin Department of Natural Resources (WDNR) to expand the existing ATV trail system located in the Enterprise Block of the Oneida County Forest; and

**WHEREAS**, the purpose for the new ATV trail segment was that of addressing public demand for more ATV trail riding opportunity and to connect the existing ATV trail system to a small population base located approximately 2 miles to the north near Hilderbrand Lake; and

**WHEREAS**, during the trail design process it was determined that the soil located immediately north of the existing ATV trail was incompatible for the development of a sustainable ATV trail; and

**WHEREAS**, in order to facilitate the above-described ATV trail expansion it was determined that a 0.38-mile segment of Bowman Road could be utilized as an ATV Route to avoid the area of non-sustainable soils; and

**WHEREAS**, the segment of Bowman Road proposed for use as an ATV Route is classified as an Oneida County Forest Road; and

**WHEREAS**, Oneida County Forest Roads fall under the jurisdiction of the Oneida County Forestry, Land, & Recreation Committee; and

**WHEREAS**, the Oneida County Forestry, Land, & Recreation Committee has reviewed the use of the 0.38-mile segment of Bowman Road as an ATV route and have determined that there would be no adverse effects will be caused by the above-described ATV Route;
