24 purchaser; reduce depreciation of county assets in facilities; retain county footprint in downtown
25 area beyond the courthouse; enable the formation of a business incubator or other business
26 development at the lower level offices of the airport, and
27

28 **WHEREAS**, Resolution #68-2013, presented to the County Board on October 15, was,
29 per motion, referred back to Solid Waste and Building and Grounds Committee to explore
30 renovating ½ of the WPS Building and rent the other ½ of the WPS Building and explore other
31 rental facilities downtown to house both U.W. Extension and LWC and include funding for
32 ‘analysis’ and ‘look at other options’, and
33

34 **WHEREAS**, new, specific, and detailed planning has been completed in the three weeks
35 prior to the current resolution, and
36

37 **WHEREAS**, approval of specific components of the potential buyer’s proposal is subject
38 to the independent timelines of several committees and approving entities, and
39

40 **WHEREAS**, this proposal has the potential to provide benefits to multiple public, private,
41 local government and the local tax payer interests,
42

43 **NOW, THEREFORE, BE IT RESOLVED**, that no immediate action by the county board
