RESOLUTION #79-2015

**GENERAL CODE OF ONEIDA COUNTY, WISCONSIN
ORDINANCE AMENDMENT #**

Ordinance Amendment offered by Forestry, Land and Recreation Committee

WHEREAS, Oneida County recreational facilities provide receptacles for waste and recyclables for use by individuals recreating in said facilities; and

WHEREAS, the receptacles have been misused by persons disposing of household and other miscellaneous garbage; and

WHEREAS, This increases costs of maintaining recreational facilities for the intended purposes of said facilities.

**NOW, THEREFORE, THE ONEIDA COUNTY BOARD OF SUPERVISORS
DOES ORDAIN AS FOLLOWS:**

Section 1. Any existing ordinances, codes, resolutions, or portions thereof in conflict with this ordinance shall be and hereby are repealed as far as any conflict exists.

Section 2. This ordinance shall take effect the day after passage and publication as required by law.

Section 3. If any claims, provisions or portions of this ordinance are adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this ordinance shall not be affected thereby.

Section 4. Section 14.10 of the General Code of Oneida County, Wisconsin, is amended as follows [additions noted by underline, deletions noted by strikethrough]:

14.10 (9) DISPOSAL OF REFUSE. (Am. Res. #93-2009) No person shall dispose of any litter, garbage, sewage, bottles, tin cans, cigarette butts, paper or any other waste material by dumping such refuse in any County recreation area, boat landing, special use area, or forest land, except by placing said refuse in receptacles provided for such purposes. Charcoal residue in any grill, fire-ring, or fireplace shall be left in its place of origin until completely extinguished and cold.

Waste and recyclable receptacles provided in Oneida County recreational facilities are only for refuse and recyclables generated by individuals while recreating in said facilities. No waste or recyclable materials may be brought into an Oneida County recreational facility for the purpose of disposing said material in the waste and recyclable receptacles.
