RESOLUTION # 79-2010

Resolution offered by Supervisors of the Highway Committee.

Resolved by the Board of Supervisors of Oneida County, Wisconsin:

WHEREAS, according to the Legislative Fiscal Bureau, over the past decade, the state of Wisconsin has transferred approximately \$1.2 billion from the state's segregated transportation fund to the state's general fund and replaced it with approximately \$800 million in General Obligation (GO) bonds. Thereby, reducing the amount available for transportation purposes by approximately \$400 million; and

WHEREAS, Wisconsin's practice of transferring money from the segregated transportation fund to the general fund has eroded the public's confidence that the "user fees" they pay through the state gasoline tax and vehicle registration fees will be used for their intended purpose; and

WHEREAS, Wisconsin's practice of replacing the dollars transferred from the state's segregated transportation fund with GO bonds puts our state in the precarious position of bonding to fund ongoing operations; and

WHEREAS, the Pew Center on the States recently released a report that included Wisconsin as having one of the ten worst budget situations in the country and specifically cited transferring money from the transportation fund to fund ongoing operations as an example of one of the practices that has put Wisconsin in such an untenable position; and

WHEREAS, the debt service for these bonds will have to be paid for out of the state's general fund which hinders its ability to fund other programs like Shared Revenue, Youth Aids, Community Aids and courts in the future; and

WHEREAS, using the states general obligation (GO) bonds in this way has hurt the state's bond rating. A report issued by CNN in 2009 listed Wisconsin as having the second worst GO bond rating in the country; and

WHEREAS, gas tax and vehicle registration fees comprise over 90% of the state's segregated transportation account. Revenues from these two sources have been declining and are inadequate to meet the existing transportation needs in this state; and

WHEREAS, Wisconsin's transportation infrastructure is a fundamental component in its ability to attract and retain business and produce jobs; and

WHEREAS, the citizens of Oneida County deserve the right to have their voices heard on this important issue; and

WHEREAS, providing constitutional protection much like our neighbors in Minnesota, Iowa, Michigan and Ohio already have is the only way to ensure that this practice will not continue;

NOW, THEREFORE, BE IT RESOLVED by the Oneida County Board of Supervisors that the following question will be put to the voters of Oneida County in an advisory referendum during the November 2010 election:

Should the Wisconsin Constitution be amended to prohibit any further transfers or lapses from the segregated transportation fund? and;

BE IT FURTHER RESOLVED that the County Clerk is directed to cause a copy of the Notice of Referendum to be published in the county's official newspaper as required by law; and

BE IT FURTHER RESOLVED that the County Clerk is directed to provide a copy of this resolution and a copy of the results of the advisory referendum to the Wisconsin Counties Association.
